HONORING THOMAS J. McMAHON

HON. THOMAS M. REYNOLDS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. REYNOLDS. Mr. Speaker, it is with great pleasure that I rise to pay tribute to Mr. Thomas J. McMahon of Williamsville, New York, for his fifty years of active service as a volunteer firefighter.

For the past fifty-plus years, Thomas McMahon served the Williamsville community as a volunteer firefighter in the Hutchinson Hose Company of the Williamsville Fire Department.

Tom graduated from Bennett High school in 1939, and went on to complete a two-year course at the Chown School of Business. He was drafted into military service in 1942, and served our country as an Army Air Corps aircraft photographer. After the war, Tom and his wife Mary returned to the Buffalo area, settling in Williamsville in 1952. Shortly thereafter, in 1953, he joined the volunteer fire service, and still serves today.

Anytime a citizen volunteers his or her time for the betterment of the community, it is commendable. For one man to have given fifty years to volunteer firefighting is nothing short of remarkable. His commitment to his fellow citizens and dedication to his community truly exemplify the ideals of public service. Through his dedication, Tom has made a considerable and lasting contribution to our community, and for that he deserves our deepest gratitude.

Mr. Speaker, I ask that this Congress join me in honoring Mr. Thomas J. McMahon of Williamsville, New York, and thank him for his fifty years of active service as a volunteer firefighter.

HONORING THE 100TH ANNIVERSARY OF THE AMERICAN LUNG ASSOCIATION

HON. MARK GREEN

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. GREEN of Wisconsin. Mr. Speaker, it is my honor and pleasure to recognize before this House the American Lung Association on this, its 100th anniversary.

Since 1904, the American Lung Association has been leading the fight against lung disease in all its forms. Although it began as a network of community-based organizations dedicated to eradicating tuberculosis, over the past 100 years the Association has dramatically expanded its research, education and advocacy programs to address the growing problem of chronic lung disease. With nearly 200 offices across the nation, the Association has grown to become one of America's most prominent health-related organizations.

Today, more than 35 million Americans are living with chronic lung disease. Every year, close to 344,000 Americans die of lung disease, making it the nation's number three killer. These are some frightening statistics, but without the American Lung Association, one can only imagine just how high these numbers could soar.

Mr. Speaker, I feel honored and privileged to be able to thank the American Lung Association for all its hard work and determination in fighting lung disease. There's no question, this remarkable organization is living out its mission of "improving life, one breath at a time." One hundred years is an incredible accomplishment, and on behalf of the citizens of Wisconsin's Eighth Congressional District, and a grateful nation, I say congratulations.

CONGRATULATING THE VIRGINIA DINER ON THEIR 75TH ANNIVERSARY

HON. J. RANDY FORBES

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. FORBES. Mr. Speaker, I rise today to congratulate the Virginia Diner in Wakefield, Virginia, on the marking of their 75th Anniversary. Located in southeastern Sussex County, the Virginia Diner represents the best of homestyle cooking the Commonwealth of Virginia has to offer.

Over the past 75 years, few have been able to travel through Wakefield, down U.S. Route 460, without stopping to sample the southern cuisine this Virginia landmark has to offer.

In 1929, Mrs. D'Earcy Davis started serving hungry customers her now famous hot biscuits in a refurbished Sussex, Surry and Southampton Railroad car. With a bit of southern charm, some hard work and a loyal following, the Virginia Diner started to make its mark on Virginia. Since 1929, the Virginia Diner has continued to prosper and has grown with the times while never forgetting its rich history.

Today, the Virginia Diner is a culturally and culinary landmark. Wakefield is not only home to some of America's finest peanuts but it is also the address of home-style cooking.

Mr. Speaker, I urge you and all of my colleagues to join me in congratulating the Virginia Diner and the Galloway family on this special occasion and I hope you will join me in wishing them well on the next 75 years.

STATEMENT OF THE NATIONAL VOLUNTEER FIRE COUNCIL CHAIRMAN PHILIP C. STITTELBURG, REMARKS ON THE CIGARETTE FIRE SAFETY ACT OF 2004

HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 18, 2004

Mr. MARKEY. Mr. Speaker, I submit the following statement for the RECORD:

On behalf of the National Volunteer Fire Council and the more than 800,000 members of America's volunteer fire and emergency services, I would like to thank Representative Ed Markey (MA) and Peter King (NY) for their steadfast leadership and long-time commitment to the implementation of fire safety standards for cigarettes.

H.R. 4155 is bipartisan legislation which will set a reasonable ignition standard for cigarettes and help to prevent an estimated 800 deaths, 2,200 injuries and nearly \$560 million dollars in damages caused by cigarette ignited fires every year. Cigarettes are the leading cause of fatal fires and children and firefighters themselves are at extremely high risk for burn and fire injuries from these fires. That is why this issue resonates so strongly for us and continues to be a priority of our organization.

As everyone is aware, both New York State and Canada have passed cigarette fire safety standards that are due to go into effect this summer. This legislation will require that the CPSC adopt the New York cigarette fire safety standard as the national standard.

On April 30, a 69-year-old Portland, Oregon woman died after a cigarette she was smoking in bed ignited a fire. On April 28, a 64-
